

Leave Barbara's Boutique Looking Sensational!

WRITTEN BY: LYNN WOLF

Everyone wants to look attractive and sensational in what they are wearing, at any time, casual or on a special occasion. *Dressing, looking, and feeling well at all times adds to your sense of pride and maintains the highest level of self-confidence and self-esteem.* *All of this is possible when you shop at Barbara's!*

Clothing at Barbara's is definitely in the Smart Casual category. You are wearing slacks, premium cut jeans, or a skirt (long or short), a blouse, shirt, or cashmere sweaters, a fashionable belt, a jacket or coat, which is coordinated to your outfit, hosiery or socks with boots, flats (leather, suede, or fabric) or mid-heel shoes. You are also wearing jewelry, such as earrings and a necklace that complements your overall outfit. Again, if you are wearing jeans, wearing a jacket upgrades you to Smart Casual. When dressed in this category, you will have a pulled-together, harmonious, complete look with colors, fabrics, shoes, and accessories.

Barbara's collection of perfect fitting jeans includes; Yoga Jeans, Cookie Johnson Jeans, Christopher Blue Jeans or the fabulous Cambio Jeans. The jean collection offers a unique combination of excellent fit, quality fabric and sophisticated style to fit all sizes and shapes of women. I continue to wear my pair of yoga jeans whenever I travel on long distances. The fabric is incredibly soft and comfortable. They wash and dry beautifully and mold to your body without feeling too snug. You must try on a pair to understand the fit and comfort of these jeans.

It is easy to compliment your clothing ensemble with a classic top by Donna Degnan or a high quality T shirt from Michael Simon. Lastly, you may complete the look with a feminine duster from Minnie Rose or a comfortable, but stylish Neon Buddha jacket. Many of the fashions found at Barbara's are available in stores including Neiman Marcus, Saks and Bloomingdales. The only difference that you will experience significant savings, in addition to the 20% off, when purchasing the clothing at Barbara's Boutique!

This is the perfect time to make an investment in a handbag that you will value and enjoy for a very long time. Barbara's Boutique is the only store in South Jersey that carries this high quality

Italian leather Il Bisonte handbag. The leather of an Il Bisonte handbag gets more beautiful as it ages, and the colors and textures become more supple and subtle over time. They are available in a variety of sizes and colors and are the perfect handbag accessory for your wardrobe.

Your front window to the world is your image. What you wear gives a message for everyone to interpret - it portrays a perception of your values, what you stand for, and your level of confidence and self esteem. There is so much that you are saying by your clothing.
