

Toms River - Ocean County Chamber Of Commerce News

KENNETH FITZPATRICK,
CHAIRMAN

JEAN HRYNIW,
ACTING PRESIDENT

Dear Chamber Members:

The Toms River-Ocean County Chamber of Commerce has served as the organization through which business professionals and other concerned citizens have united to provide leadership and direction for the economic and social development of the community.

The Chamber addresses issues that concern business – retail, wholesale, professional and service businesses, taxation, transportation, consumer relations, education, healthcare and the promotion of our shore communities. Chamber leadership also has a history of long time dedication in support of our military bases that benefits our counties and country – economically and militarily.

There is no better investment for your business than membership in the Chamber, which offers many benefits and services to its members. Your continued involvement and financial support of the chamber is important. Please respond promptly to the dues statement you received this month. The Chamber continues to do its part as business spokesperson in issues affecting your business, enhancing economic prosperity for all citizens.

We are pleased to announce that we will be updating the Toms River Street Map & Vicinity including the Beach Area. There is a limited amount of advertising space available on a first come first served basis.

Contact Garden State Publishers at 732-503-1646 for rates and information.

Golf Tournament Was Great Success

The Chamber's 17th Golf Tournament was held at the Pine Barrens Golf Club, Jackson and was a great success. Nina Anuario, OceanFirst Bank and Louis J. Gallipoli II, Gallipoli Wealth Management, co-chaired the event with a very hard working committee and dedicated volunteers who volunteered throughout the event. Thanks to Pine Barrens Manager Barbara Iasillo, and her staff for making us feel welcome – and for all their help and the great food. Thanks and grateful appreciation to the many sponsors for their continued support of Chamber programs and events.
