Just a few words this month to keep everyone updated. I have had the privilege of going to the Joint Base three times in the past few weeks. First, a reception at Colonel Grasso's residence for a visiting General, also attended by Mayor Kelaher and Emil Kaunitz. Secondly, a tour of Maguire hosted by the Air Force, and last but not least, a refueling mission in a KC-135 tanker. There will be other events at the base soon.

Recently we had Lucy's retirement luncheon and I can only say it was magnificent. Kudos to the staff for a job well done and Godspeed to Lucy in all that she does.

Carpe Diem.

Kenneth Fitzpatrick, Chairman

### Lucy Greene Honored At Retirement Luncheon . . .
