The ONLY Professional Smoothing Treatment that improves the health of the hair.

BONNIE FAY
SALON OWNER/STYLIST

Owner and stylist,
Bonnie Fay, says . . .

"I am delighted to
present ...

"The Brazilian Blowout"

to our clients at Splashes Beau-
tique and Day Spa." Splashes
introduced this new smooth-
ing treatment last month and
the results are awesome. The
Brazilian Blowout is the ONLY
professional smoothing treat-
ment that improves the health
of the hair.

*The stylists at Splashes
have been certified and
have been transform-
ing clients' hair leaving
it smooth and frizz-free
without harsh chemicals.*

Bonnie and her staff are
truly in awe of the Brazilian
Blowout. We are changing
people's lives by eliminating
frizz and giving clients smooth
shiny hair that they can achieve
for themselves for 12 weeks.

Natalie Beulow
"I feel the Brazilian
Blowout leaves your hair
feeling soft, shiny and smooth
to the touch without the harsh
effects of chemicals. Our salon
and spa also offers a complete
line of Repechage Skin Care products including a
soothing seaweed wrap to a rejuvenating pepper-
mint sea twist wrap. Book an appointment with
me for all your skin and hair needs and prepare
to be blown away."

Samantha Finkel
"The Brazilian Blowout
has been the first product in
the 9 years of my career as a
stylist that actually repairs
the hairs condition using no
chemicals. It eliminates frizz and adds shine. My
clients are loving the results!"

Neala Hadley "The
Brazilian Blowout is by
far the best smoothing system
out there. This is the first
hair treatment in my 7 years
of doing hair that leaves the
hair in unbelievably great condition without the
use of chemicals. You can wash your hair as soon
as you get it done without waiting 48 hours as
compared to other hair treatments."

Sandi Cramer
"The Brazilian Blowout
system is a wonderful smooth-
ing system with no harsh
chemicals that leaves the
hair feeling healthy and silky
smooth. I've had amazing feed back from all my
clients, the one most referenced is the elimination
of frizz. In my 4 year experience as a hair stylist
I've kept myself well up to date with the latest
anti-frizz products. This process minimizes the
use of products and flat iron."

**Brittney
Wainwright** "For my
clients, the Brazilian Blowout
smooths and conditions for a
polished look, even on color
treated hair."

Jenn Morris "Having been a stylist for
over 10 years and having used a lot of dif-
ferent products, I have to say
that the Brazilian Blowout
is one of the most innovative
new products out there. It
works by infusing your hair
with natural ingredients like
keratin which is the founda-
tion of your hair."
